

TAKE PART IN OUR SHORT ANONYMOUS* SURVEY

WORKING IN PARTNERSHIP WITH THE MONEY & PENSION SERVICE WE ARE KEEN TO ASSESS THE FINANCIAL WELLBEING OF OUR HSC WORKFORCE & TO IDENTIFY WAYS WE CAN SUPPORT AND IMPROVE FINANCIAL WELLBEING AND AWARENESS FOR STAFF AND THEIR FAMILIES.

Healthy Financial Wellbeing can be defined as:

- » Having control over your finances.
- » Being able to absorb an unexpected financial shock.
- » Being on track to meet your financial goals.

In accordance with BHSC's commitment to adhering to the UK General Data Protection Regulations (GDPR) and the Data Protection Act 2018, the information collated from this regional HSC survey will be treated in the strictest of confidence. This survey has been developed in partnership with Money and Pensions Service. Information and responses will be collated by NHSC and analysed to shape and inform what regional HSC organisations will prioritise, develop and implement based on our staff responses regarding financial wellbeing.

Responses via Citizen Space will not include any identifiable information i.e. name or log-in details. Responses will be retained for a period of time not exceeding 3 months.

Should you have any queries regarding the survey, please contact: samantha.whann@belfasttrust.hscni.net
