

HIV AWARENESS SESSIONS JANUARY 2023

HIV Awareness training is mandatory for all Health & Social Care Staff with direct patient and client contact. The Sexual Health Training Team offers HIV Awareness sessions that are delivered online through MS Teams, making them easily accessible for Belfast HSC Trust staff. The sessions last approximately 2 hours and provide a good opportunity to learn more about HIV, raise personal and professional awareness of prevention, testing and treatment.

For further information or to book a place on your preferred course date please email: shealth.team@belfasttrust.hscni.net
