

WOULD YOU BE  
INTERESTED IN  
TRYING  
SOMETHING NEW  
OR DEVELOPING  
SKILLS IN A  
RELAXING AND  
ENJOYABLE  
ENVIRONMENT?

Conservation Volunteers and the Health Improvement Team would like to offer staff the opportunity to get involved in horticulture and practical conservation on the Knockbracken Healthcare Park site. You will have the opportunity to:

- Grow seed to harvest
- Opportunity to take seed home
- Taste food grown
- Enhance the environment on site

Commencing April 2023 for 4 sessions  
(April, May, June and August)

**Staff Comment**

"I take three buses to be able to join the group I love it so much. The community spirit, the ability to get together with friends and be in nature makes it more than worth the trip"

This is for all abilities. no prior experience required.

Wear sturdy footwear and clothing suitable for outdoors.
