with Beverley Healy

**Saturday 22nd June 2024
10am-12 midday OR 1pm-3pm**

In this relaxed workshop you will use a gelatin based printing plate, known as a gel-plate, to make beautiful impressions of nature. Beverley will demonstrate how to create prints by adding different layers and then you will make your own unique prints to take home.

Weather permitting, we hope to collect some nature nearby, so please dress accordingly.
