

Are you working with or supporting young women and girls in the Belfast, Southern, and South Eastern locality? Funded suicide prevention training is available for you.

PAPYRUS Prevention of Young Suicide is pleased to deliver SPOT (Suicide Prevention Overview Tutorial) and SPEAK (Suicide Prevention Explore, Ask, Keep-Safe) suicide prevention training courses, supported by the Public Health Agency through the Clear Project, and in partnership with Girlguiding Ulster.

Scan the QR code to view the available courses and register:
