

Sexual Health Training Team

STIs Awareness Training is available to all Health & Social Care Staff within the Belfast H&SC Trust.

The Sexual Health Training Team, Health Improvement Department, is offering online STIs Awareness sessions that will be delivered through MS Teams, making them easily accessible for HSC Staff.

The session lasts approximately 1 hour and provides a good opportunity to learn more about Sexually Transmitted Infections, raise personal and professional awareness of prevention, testing, and treatment.

MARCH
Monday 24th March
2.00 pm – 3.00 pm

To access the training sessions and book a place click the link below:-
